- Run the Austin office
- Lead the SDL Service Line NA
Background in offensive security and development
CS degree from UT Austin
Agenda

- Why we integrated SAMM into our SDL assessments
- What does our SDL Assessment look like
- Future ideas/improvements
- Q&A
Why we integrated SAMM

- SAMM Assessment vs SDL Assessment
- Prescriptive vs descriptive (where is the value?)
- People don’t like their baby to be called ugly
- Comparing apples to oranges (or ugly babies to ugly babies)
What an SDL Assessment Looks Like

- Multiple consultants
- Interview and documentation review
- Demo
Improvements and Future Roadmap

- Benchmarking!
- Full SAMM reporting with graphs
